"...man shall not live by bread alone, but by every word that proceedeth out of the mouth of God." Matt. 4:4

Living life by every Word of God: We have been considering this truth as a family the last few days. To live this way requires knowing what proceeds out of the mouth of God. This in turn only happens if we are searching in the Bible for His words. It is great to know that my God has something to tell us that will guide and actually help us live in every situation of life that we encounter. We have been driven even more to search the Bible for his words on what we are facing right now in our deputation life and preparation to go to the field.

Preparation for the 3-Ring-Circus: We are expecting our third child in September, thus the 3-Ring-Circus. No, really, we know this is a blessing from the LORD. We are excited to meet our new baby. The baby will be born in Porto Alegre, Brazil. While in Brazil, we were able to find a doctor who has taken Sarah as a patient. This was a specific answer to prayer for us. Praise the LORD for his direction! One requirement airlines make is that pregnant women can only fly before 28 weeks. Thus Sarah has to fly to Brazil before mid-June. Please pray especially for Sarah as she packs for Brazil, cares for 2 active boys, and finishes up deputation travel with our family.

Nathan's Health: The doctor said there is a little inflammation in the colon but no cancer or ulcers; he also said Nathan is not allergic to gluten or wheat. We do not have any conclusive answers yet. But it was a blessing to rule out several more serious possibilities. Please pray for one more test that he has April 8th.

Time in Brazil: Thanks to all who prayed for us as we were in Brazil. We were able to find a good possibility for housing this June. We found a couple language school possibilities. We found that the area that the LORD has given us a desire to plant a church in is going to have 3,500 new homes built in the next few years.

We are at 80% of our support: We had 2 more churches partner with our ministry since our last letter. We had 3 different supporters increase our support.

In Christ,

Nathan, Sarah, Kai, & Mik
